**Nighttime Pavement Marking Work in Downtown and Broadway
Business District**

ROCKFORD – On Monday June 13, 2016 at 10:00PM, crews from Precision Pavement Markings will begin striping parking stalls throughout the downtown and Broadway Business District.

This is a rolling operation and temporary traffic control will be in place as needed at each site. The operation is dependent on existing weather conditions and is subject to change accordingly.

Citizens are urged to approach pavement marking crews at a reduced speed that is below the posted speed limits. Proceed with caution traveling into the lane adjacent to the marker and maintain a safe distance.

Questions regarding the project should be directed to Jeremy Carter at the Public Works Department.
